

## Opener for Dansville Team Comes Early

# Scrimmage to Test Mustang Squad

With the season's opener only a week away, Dansville High's football team will get a taste of outside competition in a four-way scrimmage at Genesee Saturday.

Coach Mike McMullin and assistants Dennis Hoag and Jeff Englert will direct the Mustang gridders in the special practice against the host team, Alexander and Romulus.

And Dansville will send plenty of experience into the scrimmage which is a warmup for the Livingston Conference opener against Avon here Sept. 11. The team has 15 lettermen back from last year and eight of them were starters on the squad which captured the Sectional Class "A" championship.

On offense, it will be Dave Hamsher at quarterback, Chad West at fullback, Brad West at halfback and Jim Fox at swingback. Up front it will be either Joel Goodwin or Larry Kennedy at center while Pat Byrnes and either Lynn Smalt or John Frisiras will be at guards. At

tackle, it will be Brian Sullivan and Roy Alford with Kennedy and Frisiras also playing in the posts. Bob Mahus will be at split end and Mike Wamp and Ken Heiman will run from the tight end position.

Defensively, the starting unit will be Wamp and Mike Green at ends, Chad West at nose guard with Alford and Heiman at tackles. Brad West and Jim King will handle linebacking duties, and Byrnes will be at rover. Fox and Mahus will be at the halfback slots with Hamsher at safety.

The lineups will see many changes in the scrimmage as the coaching staff looks at other players.

McMullin said those who will see considerable action are tackle Rick Carberry, halfback and swingback Tom Acomb, guard Dan Carnes, end Mike Chasey, end Roger Claud, guard Mike Crowell, fullback Corey Davis, Green at fullback, quarterback Jeff Yaeger, tackle Matt Karp, tackle Ken Keppen, halfback or

swingback Jim King, sophomore halfback Matt Myers, tight end Jerry Mitchell, tight end Pete Murray, guard Rob Phillips, end Danny Rittenhouse and guard Eric Swarts.

For the past week, the team has been going through twice-a-day practice sessions on a hurry-up schedule designed to meet this year's early opener.

Following the Avon game, Dansville will play at Livonia Sept. 19, and then return home to host Attica in a non-league contest on Sept. 25. Away games follow at Jefferson, Hornell and

Caledonia-Mumford before the final two at Ralph Clements Field against LeRoy and Honeoye Falls-Lima.

The junior varsity, coached by Terry Conway and Roger Reakes, will be at home Saturday in a scrimmage against Genesee, Alexander and Romulus.

The junior varsity schedule includes at Avon on Sept. 12, here against Livonia Sept. 17, at Attica Sept. 24, Jefferson here Oct. 1, Hornell here Oct. 8, Cal-Mum here Oct. 15, at LeRoy Oct. 22, at HF-L Oct. 29.

## Memorial Golf Tourney Scheduled

The eighth annual Lt. E.G. Bartholomew Memorial Law Enforcement Golf Tournament is scheduled for Tuesday, Sept. 22, at the Livingston Country Club in Genesee.

The tourney is dedicated to law enforcement officers in the county who have been victims of cancer. Proceeds from the event will go to Camp Good Days and Special Times and the county unit of the American Cancer Society. Last year's tourney netted more than \$2,100.

## Okay Speed Law For Keuka Lake

Senator John Kuhl Jr. of Hammondsport and Assemblyman Donald R. Davidson of Canisteo announced that a measure they sponsored to establish a speed limit for boats on Keuka Lake has been signed into law.

This speed limit is going to help make Keuka Lake a quieter and a safer lake, for all lake users, Kuhl said. "The driving force behind this law was the safety of those people who use the lake for reasons other than speedboating. It's a big victory for swimmers, fishermen, sailboaters and others."

"Boating can still be enjoyed within a speed limit. This legislation is one of the highlights of my first session. I'm pleased to have had this opportunity to effectively promote safety on the largest lake in my district," Davidson said.

The legislation takes effect immediately and will impose a 25-mile-per-hour speed limit on Keuka Lake from one-half hour after sunset to one-half hour before sunrise; impose a 45-mile-per-hour speed limit for the remainder of the day; require that all boats be operated in a "careful and prudent" manner which does not endanger other lake users.
